Skill

- html
- css
- javascript
- react
- node.js
- express.js
- mongoDB
- Git and GitHub
- Cloud Computing
- data structures and algorithms
- C, C++

Education Background

Btech in computer science
December 2021 – May 2025. Delhi
Technological University, delhi

- Bachelor's Degree in Computer Science: Completed a rigorous four-year program, specializing in computer programming, algorithms, data structures, and software development. Acquired a solid foundation in object-oriented programming languages such as C++. Received training in database management systems, network security, and software engineering principles.

About Me

Education: Currently pursuing Bachelor of Technology (B.Tech) in Computer Science, currently in the third year.

Skills:

- Proficient in Data Structures and Algorithms (DSA) with a focus on C++.
- Full-stack web development, including front-end and back-end technologies.
- Familiar with cloud computing technologies and services.
- Strong problem-solving skills and ability to analyze complex systems.
